CLASS notes

Parents please remember that our Library day is every WEDNESDAY. I would love for our student to be able to check out 2 books a week but before we can do that we have to show responsibility by bringing back our books on time.

Thank you to all the parents who work with their child on their reading log, I can see the improvement in their reading and writing at school. Please remember the Reading Log is mandatory, we should be reading at least one book a night.

MONTHLY OBJECTIVES

English Language arts (ELA): Skills: main idea/details, summarization, point of view. Strategies: questioning and text evidence. On-going: author's purpose and context clues. High Frequency Words: had, have, here, help, helps, away, do, was, will, says, her, his

Math: Students will count and represent quantities and collections fluently to 20. Students will compare quantities and collections fluently to 20. Students will use multiple models to develop number sense and represent numbers to 10 in flexible ways

Science: Students will explore ways that objects change and interact with other objects due to movement. Students will also observe, identify, and explore patterns of change in nature.

Social Studies: This unit introduces students to good citizens in the community. Students also use voting to make some decisions in the classroom. In this unit, students explore national holidays and customs, as well as family customs and traditions, as commemorations of important group values

SHOW AND TELL
